

Increasing Financial Wealth - through Health and Meditation

Do you ever get the feeling that you could be gaining so much more wealth - if only you knew how?

Have you ever felt...

- Stretched beyond capacity trying to balance home, job, and kids?
- Scared about financial security of your future?
- Angry at having less money than you deserve?
- Discouraged about missing out on a better life?
- Out of shape, overweight, and out of motivation to improve your physical health?

This interactive workshop is designed for those of you have one or more of these problems. This workshop will help you if you know that you could be doing so much better, and are confused as to why you haven't achieved more.

Dr. CJ Rhoads will share her story of going from the depths of poverty, injury, and pain to a mountaintop of riches and physical well-being. The lessons CJ shares can apply directly to your own life. Wouldn't you like some guidance on figuring out the best way to accomplish everything you always hoped for?

Listen to what some people say about her workshops and contributions to their lives:

When CJ began her talk, people literally stopped in their tracks as they listened to her points. Mike McCarthy

CJ has a way of connecting with her audience and her enthusiasm is contagious. What an inspiring morning! Carol Hovis

CJ's good humor and teaching skills are unique in her field. Her manner of communicating, backed by her extensive knowledge, is the highlight of her services.
