

Dear Mr. Pruzinsky,

Thank you for your contribution to me and the camp. You've made it possible for students to attend this camp and get this opportunity. It was nice to come together with schools from all over and meet new people. This also made the opportunity to network and also learn more about networking. By your generous donation you have indirectly helped me learn from successful entrepreneurs. Thank you for helping me get this chance, I enjoyed myself.

Sincerely,

Revon Williams
