

4/14/12

Dear Kim Snyder, Kay Apple and KU Foundation,  
I had a great time at the camp.  
I learned about the risks and benefits  
of being an entrepreneur. We all did fun  
activities and got a chance to meet new  
and interesting people. I got a lot out of it  
and anyone interested to ~~the~~ pursue entrepreneurship  
would be lucky to have this opportunity.

Sincerely, Jonathan Carrien
