

Dear Chris Pruitt,

Thank you for sponsoring the ETTC camp and for your support in helping young teens learn more about entrepreneurship and owning a business. I came to this camp to learn about being an entrepreneur because one day I want to own my own retail company in grocery. This camp really helped me learn a lot and I meet a lot of new friends who are interested in doing the same thing as I want to do. Along with learning about entrepreneurship I played games and got a chance to meet real people who are in the entrepreneurship business. I learned a lot about networking and communicating with other people. This was an amazing camp and I hope to come back next year and learn more. This camp is an amazing opportunity for kids who want to learn more about business.

Sincerely,
Constance Jakowski
